

Gecko Fun Facts!

(Bonus Page)

Did you know...?

- **Geckos have 20 toes!** Five on each foot—that's why they're such great climbers.

- **They can stick without glue.** Tiny hairs on their toes help them grip walls and ceilings.
- **Geckos love the night.** They come out when it's quiet and cool.

- **They eat bugs!** Mosquitoes, moths, and flies are their favorite snacks.

- **Geckos don't want to scare you.**

They're usually just lost... or looking for dinner.

- **In places like Mauritius,** geckos are house helpers. Many families let them stay to eat insects.
